### Message from the Headteacher

Brrrrrr! The weather has certainly changed and there was much excitement in my house last night once the snow started. I think the dogs might have had other thoughts this morning, being fair-weather walkers on the whole.

Lots of enriching activities have taken place in school this week, engaging children and teachers alike. It's not every day that you get to meet a Team GB athlete, or have them put you through your paces in a workout circuit! Our visit from gymnast Courtney Tulloch was so inspirational – the children were entranced by his display and gold medals, but perhaps even more powerfully, inspired by the way he talked about mindset and the need to practise, practise, practise if you are to really master a skill. I was particularly impressed by the research some of the children had clearly carried out in advance of his visit and the way that they used this to devise questions to help them find out even more. Thank you to Mrs Jeffrey for organising this and to all the families for their fantastic fund-raising efforts. Story-Telling week has also been a delight, with children (and teachers) having plenty of opportunities to experience such a broad range of children's literature. Thank you to Miss Rees for organising this.

Have a terrific weekend.

Miss Stockley

### Top Table – Wednesday 6<sup>th</sup> February

Every Wednesday children are chosen to sit on the Top Table at lunchtime to congratulate them and celebrate their achievements.

Class name	Child's name	Reason
<b>Kandinsky</b>	Ollie	For his amazing attitude to learning. He always tries his best and is confident when explaining his ideas to others.
<b>Mondrian</b>	Kiami	For his consistent independent hard work in Maths.
<b>Matisse</b>	Dylan	For being supportive to other classmates with your explanations and help in our Maths lessons looking at length.
<b>Monet</b>	Kaja	For her amazing attitude towards school and learning. She has shown confidence and resilience towards her work.
<b>Picasso</b>	Maram	For becoming more confident to share her opinions and ideas with clarity.
<b>Van Gogh</b>	Justin	For becoming an increasingly confident and independent worker, particularly in maths where he is showing a healthy response to challenge.
<b>Blake</b>	Larissa	For coming on leaps and bounds in all areas of her learning - particularly writing!
<b>Warhol</b>	Charlie	For showing resilience during class when he found some grammar work was a little tricky! He was asked to try again and worked through his words again with success.
<b>Shonibare</b>	Fathy	For showing such incredible kindness in being a good friend.
<b>Hockney</b>	Mohammad	For his determination to learn key challenging words in English and use them in Writing.
<b>Riley</b>	Ellis	For an outstanding drive for excellence and spectacular engagement with all aspects of his learning.

## National Story Telling Week, Thank you

A big thank you to all the staff and volunteers who read to the children throughout this week. Each class was visited by at least 7 story-tellers who shared some of their favourite books. Some of the story's were even told in a different language!

## Sports for Champions

A huge well done to our school for not only reaching our target of £425 but smashing it! The fundraising money came in at just over £750!

Courtney Tulloch, a gymnast with Team GB, came in and motivated the children whilst they completed the circuit. After years 1-6 had completed the circuit, he took an assembly and talked about his background, training and the benefits of a healthy diet. The children were allowed to hold his Gold Commonwealth and Silver European medals and ask him questions. Courtney also impressed us by doing some walking handstands, backwards somersaults and somersaulting over three adults....

A special thanks to some big fundraisers :- Kyle (Matisse), Dylan C (Matisse), Lola (Shonibare), Kaliyah (Warhol), Gracie (Warhol) and Oliver (Kandinsky), Danny (Blake) and Sam (Hockey). Kandinsky and Warhol classes returned most forms and the class that raised most money was Matisse.

Needless to say, every single donation, down to the last penny, counts to the final total so many thanks to all of you who got involved and contributed to make this event successful.

I welcome any feedback regarding the event with a view to making it even bigger and better next time.

Eva Jeffrey  
PE Lead

### **Wear A Hat Day 2019!**

On the 29th March 2019 we are raising awareness for Brain Tumour Research with Wear a Hat Day.

Children can wear a hat and give a donation of £1.00 to this amazing cause.

Will it be a fez, fedora, sombrero, deerstalker or homemade paper hat? Whatever it is - we don't mind! Put a hat on your head and give £1.00 to this great cause:

Brain tumours are indiscriminate; they can affect anyone at any age. What's more, they kill more children and adults under the age of 40 than any other cancer... yet historically just 1% of the national spend on cancer research has been allocated to this devastating disease. So far, Wear a Hat Day has raised over £1 million.

Look out for our Hattastic photos in the newsletter and on our twitter feed after the event.

You can find more information at [www.braintumourresearch.org](http://www.braintumourresearch.org)
