Well done for coming to school every day this half term.

Message from the Headteacher

This week it has been a joy to have welcomed so many parents in to school for so many different events. I cannot over-emphasise how important I think it is for us to work in true and ever-closer partnership with each other, building relationships and creating opportunities, so that the children can become the very best that they can be. After all, we are all working towards the same all-important goal.

Year 3 put on a terrific assembly centred on the learning they have done in their Pompeii topic this half term. I don't think we have ever had so many parents attending one of our year group assemblies and the children were delighted with

the comments they received in the assembly book afterwards. A lot of work had clearly gone into both their learning and the performance itself. Thank you to Miss Chaouki and Mr Carter for supporting the Year 3 children with this.

Our internet safety workshops proved very useful for parents and children alike. The children in Years 5 and 6 enjoyed some really interactive learning and parent comments indicate that this is something you would be keen for us to do more of as a school. Mrs Honeghan-Bates and Miss Rees – our EAL teachers – were also pleased to welcome parents and families from overseas to their half termly coffee morning.

The 'Stay and Explore' sessions in Nursery and very engaging. As well as being able to see how the in a school environment, it was a great opportunity meet each other and share in the learning together. investigating how to roll events like this out across community to build on the more formal conversations during Parent-Teacher Evenings. The Nursery a first glimpse at our new arrivals – the Nursery The children have finally named them Spotty and are beginning to take care of them with support from nursery staff.

Reception were children learn for parents to We are the school that take place parents also had guinea pigs. Poppy and they our fantastic

Wishing you all a fantastic half term.

Ms Stockley

Top Table – Wednesday 27th February

Every Wednesday children are chosen to sit on the Top Table at lunchtime to congratulate them and celebrate their achievements.

Class name	Child's name	Reason
Kandinsky	Lorenzo	For working more independently in all lessons
Mondrian	Suheyla	For being enthusiastic in all areas of her learning.
Matisse	Christopher	For always being enthusiastic and motivated to share his ideas and complete his work.
Monet	Remi	For her resilience in her school life and being determined to succeed. Well done!
Picasso	Liliana	For always having determination and bravery to complete her work independently, even when it's tough! Keep up the fantastic attitude!
Van Gogh	Patryk	For his patient and thoughtful determination in all his work, including learning his lines for the assembly.
Blake	William	For taking responsibility for his own learning and making a few mistakes before solving some very, very tricky maths problems!
Warhol	Caleb	For always being grateful to his mum for helping him day-to-day - trying to make him more responsible for his own coat, packed lunch, football shoes, swimming kit, homework.
Shonibare	Violeta	For making an excellent start to Year 5
Hockney	Ife	For working extremely hard in English to produce an effective letter of persuasion.
Riley	Jiahao	He has shown amazing resilience and tenacity recently and has driven himself to achieve as highly as he can in his recent assessments.

Rock Stars Wanted!

We will be welcoming Rocksteady Music School to the William Hogarth School. It's an amazing opportunity for your child to join their very own rock band and learn either drums, guitar, keyboard or vocals. Music sessions take place in school every week and help to build confidence whilst also teaching resilience, teamwork and listening skills. Music workshops will be held in school soon, so the children can try out the instruments and learn all about being a musician in a band.

If you are interested in the sessions your child can learn either drums, guitar, keyboard or vocals within their very own band. Sessions are taught by highly trained musicians and are fun, inclusive and accessible to all. At the end of each term the bands perform a concert for the school and their families, so you can see how far they have come! All instruments are provided and no experience is necessary. Payment is £31.25 payable by monthly direct debit.

Spaces fill up very fast, so if you know which instrument your child wants to play, you can reserve their space now by contacting Rocksteady directly on 0845 094 1259 contact@rocksteadymusicschool.com For further information please visit their website www.rocksteadymusicschool.com

Wear A Hat Day 2019!

On the 29th March 2019 we are raising awareness for Brain Tumour Research with Wear a Hat Day. Children can wear a hat and give a donation of £1.00 to this amazing cause.

Will it be a fez, fedora, sombrero, deerstalker or homemade paper hat? Whatever it is - we don't mind! Put a hat on your head and give £1.00 to this great cause:

Brain tumours are indiscriminate; they can affect anyone at any age. What's more, they kill more children and adults under the age of 40 than any other cancer... yet historically just 1% of the national spend on cancer research has been allocated to this devastating disease. So far, Wear a Hat Day has raised over £1 million.

Look out for our Hattastic photos in the newsletter and on our twitter feed after the event.

You can find more information at www.braintumourresearch.org

Additional Needs and SEND News

Mrs Luciani will be hosting another Coffee Morning for parents of children with Additional needs on **Thursday 14th March**, in the school hall at **9am-930am**. Sara Baranowski (Behaviour Support Teacher) and Suzanne Da Silva (Speech and Language Therapist) will be popping in to say hello too.

If you have any worries or concerns or questions about the type of support we have access to in our school, please come along, we would love to see you. If you have an interest in Special Educational Needs, please pop in.

Copies of the newsletter are available online at: <http://www.williamhogarthschool.co.uk/newsletters.php>
