### International Food Festival- Friday 18 October

Calling all Masterchefs, bakers and event planners- we need your cooking, baking and organisational skills!

We want to celebrate a proud and long-held school tradition, of embracing and valuing children and families from a wide range of cultures and backgrounds, by holding an "International Food Festival." As part of the event, we want to represent as many of your traditional food and treats, and enjoy and learn about the many wonderful cultures that enrich our school on a daily basis.

How you can help:

- set up 2pm-3.30pm
- serve on stalls 3.30pm – 5pm
- tidy up 5pm -5.30pm
- 

Any help between these times would be greatly appreciated.

- cook or bake a traditional dish or family favourite.

Please also confirm:

- the name and origin of your dish
- NO NUTS in your dish
- List of ingredients to help with allergies (confirm if you have used halal meat or not)
- Number of servings
- Date and time of when you can drop off (ideally Friday morning)

Please contact your class rep or email [williamhogarthpta@gmail.com](mailto:williamhogarthpta@gmail.com) if you are able to help in any way.

If you have limited time on this occasion to help, come along to sample the delicious home-made food, or join in with the games and test your geographical knowledge. Hope to see you there next week.

### “Friday Fun”

Well done to Year 6 for the funtastic inaugural event last week! Kids (and adults) enjoyed cakes, snacks, games and crafts. Together, you all helped raise £290.70.

Year 5 will continue the fun and fundraising on Friday 1 November.

## Bikeability Level 1 and 2 Holiday Course at Lampton Park on the 21<sup>st</sup> & 23<sup>rd</sup> October

Bikeability Level 2 course is aimed at Years 5 and 6, and teaches children the skills to be able to make a trip safely to school or for leisure on quiet roads.

This course includes a Bikeability Level 1 refresher session ensuring children are safe to carry on with Level 2, which takes place on roads local to the school.

All trainees are assessed against the following outcomes:

- ✓ All Level Bikeability 1 outcomes
- ✓ Completing an on-road journey whilst understanding where to ride on the roads being used
- ✓ Being aware of potential hazards
- ✓ Understanding how and when to signal intention to other road users
- ✓ Passing parked or slower moving vehicles and side-roads
- ✓ How to negotiate a T-junction from every direction as well as performing a U-turn
- ✓ Demonstrate decision-making and understanding of safe riding strategies and a basic understanding of the Highway Code

The Bikeability Level 2 Holiday Course is an excellent opportunity for children to participate in cycle training outside of school term time.

We will be holding the course at Lampton Park on the 21<sup>st</sup> October from 9:30 – 15:30 and continuing on the 23<sup>rd</sup> October from 9:30 – 12:45. The course is £15 per child and includes free bike hire. Each child will need to bring a helmet.
