

# Spring Term Newsletter      Year 4

## English

We are using fictional text 'The Colour of Home'. We will write a persuasive advert and a narrative whilst using the story to bring these pieces of writing alive.

We will continue to improve our grammar and spelling - especially the ending of words and possessive apostrophes.

## PSHE

We will be exploring the themes of Resilience, Ambition and Together.

## R.E.

We will be learning about Christianity.

The children will investigate and understand how important Easter is to Christians.

## Maths

We will be continuing with number work to consolidate our understanding of fractions and decimals. We will also be exploring area and multiplication and Division.

## Computing

We will learn more about writing for different audiences.

## Spanish

This term we will be continuing to understand and respond to spoken and written language from a variety of resources.

## P.E.

The children will have table tennis and gymnastics. The children will continue to learn how to play chess.

## Science

We will be learning about properties and changes of materials. We will be developing our scientific working by carrying out investigations where we test our hypothesis and write a report about our findings.

## Topic

'Migration'

The children will learn what it means to migrate, how migration affects people and places, what a refuge is and how climate change will affect migration.
