Homework

- Will be given out on a Thursday and expected back in on a Wednesday so there is plenty of time to complete it. Approximately 1.5 hours per week – usually a mixture of Maths and English (in addition to reading every night for at least 20 minutes).
- Will mostly be written down as it is easier to monitor progress - no need for ICT at home.
- Will be marked together on a Wednesday morning so very important they don't miss this – they will be able to learn from their mistakes during this session so it's very important that it is in on time!
- Please allow enough time for them to complete it properly in a nice quiet space!
- If possible, please give some help – but not too much.

Reading at Home

- Please engage as much as possible with the reading process at home (please read document).
- Sign your child's planner daily.
- If you have written a note in the diary for me, please ask your child to show me rather than wait for me to find it.
- Please make use of Doodle Maths/Pixl Apps which your child already has a log in for.
- SATS – please take the document home and read!
